La Jolla Cove

Known for its exceptional beauty, this small beach is one of the most photographed in all of Southern California. Like to explore beneath the waves? This cove is ideal for swimmers, snorkelers and scuba divers, with clear water visibility that can exceed 30 feet deep. It is also park of the La Jolla Underwater Park Ecological Reserve, which ensures that marine life remains healthy and abundant.

Torrey Pines State Park

This beautiful park lies on the border of La Jolla and Del Mar. Take a leisurely hike on bluffs above the beach and catch some sights of the dolphins or even whales during their migration. Park of the Torrey Pines State Natural Reserve, this park remains one of the wildest stretches of land on the Southern California Coast.

Birch Aquarium at Scripps Institution of Oceanography

Sit upon a bluff overlooking the Pacific Ocean, this public aquarium houses over 60 habitats of sea animals, fish and invertebrates from across the globe. Major exhibits include the Hall of Fishes, Elasmobranchs and Tidal-Pool Plaza, all showcasing a myriad of fish, elasmobranchs and other marine life.
