Dramatic home of the internationally known symbol of freedom.

Moved to its current location across from Independence Hall in 2003, the bell that was later named the Liberty Bell was originally cast in Great Britain and recast in 1753 in Philadelphia to adorn the State House. The 44-pound clapper caused the Bell's crack on its first use, and though it has been recast twice, the imperfection remains today. Visitors can tour the Liberty Bell Center year-round.

## What Is A Cheesesteak?

A cheesesteak is a long, crusty roll filled with thinly sliced sautéed ribeye beef and melted cheese. Generally, the cheese of choice is Cheez Whiz, but American and provolone are also common choices. The art of cheesesteak preparation lies in the balance of flavors, textures and what is often referred to as the "drip" factor. Other toppings may include fried onions, sautéed mushrooms, ketchup and hot or sweet peppers.

Some sandwich shops also offer a cheesesteak hoagie, a hybrid version that combines the cheesesteak with cold hoagie dressings like lettuce, tomato and mayonnaise.

#### 1. John's Roast Pork

A small shack amidst shopping plazas. John's Roast Pork is perennially cited as one of the city's top steak spots and it gets our nod for No. 1. Its secret weapon? A crusty seeded roll. John's has long been a favorite of South Philadelphia dock workers and contractors, having opened in 1930. In the last decade or so it has really gained mainstream recognition as one of the best purveyors of cheesesteaks in the City of Philadelphia, including a James Beard Award for America's Classics. Also, don't miss the namesake roast pork sandwich. 14 Snyder Avenue. (215) 463-1951.

#### 2. Tony Luke's

Located next to an I-95 underpass on an otherwise dull stretch of Oregon Avenue in South Philadelphia, Tony Luke's is another South Philadelphia institution. There's no need for an inside here — you order and pick up your sandwich from the street side windows and feast upon your reward at the outdoor picnic-style tables. When ordering, don't be offended if the staff seems a bit less than friendly; they take pride in giving a hard time to both regulars and first-timers. It's part of Tony Luke's lure. And note: Every sandwich at the award-winning Tony Luke's is worth ordering, and they taste even better during a game at the nearby sports complex. 39 E. Oregon Avenue. (215) 551-5725.

#### 3. Pat's King of Steaks

Two of the famous cheesesteaks from Pat's. (Photo by B. Krist for Visit Philadelphia)

The original home of the cheesesteak, Pat's King of Steaks is still owned and operated by the Olivieri family. Pat's claim to fame is that its founder, Pat Olivieri, invented the steak sandwich in 1930. Since then, Pat's has grown from a little stand at the southern end of South Philly's Italian Market to one of the most famous cheesesteak shops in the world, albeit still in the same location (and still the only location). 9th Street & Passyunk Avenue. (215) 468-1546.

#### 4. Geno's Steaks

The line at Geno's sometimes extends into the street. (Photo by J. Fusco for Visit Philadelphia)

It may be across the street from the oldest cheesesteak joint in town, but Geno's Steaks is a formidable competitor going roll-for-roll with Pat's for more than four decades. Like Pat's, Geno's is open 24 hours a day, seven days a week so you can visit whenever you get the urge. 1219 S. 9th Street. (215) 389-0659.

#### 5. Jim's Steaks

When ordering a cheesesteak at Jim's, hungry patrons get a frontrow seat for the action. (Photo by B. Krist for Visit Philadelphia)

Jim's Steaks has multiple locations, but the classic smell of fried onions wafting down South Street makes that location the most memorable. Jim's Steaks is South Street's premier cheesesteak shop. The crowds can often mean an extra long wait before you actually get to taste one of Jim's fine cheesesteak sandwiches, as the line at Jim's often stretches out the front door and around the corner onto Fourth Street. 400 South Street. (267) 519-9253.

A close-up shot of the Whiz Wit at Campo's Deli in Old City Philadelphia. (Photo courtesy of Campo's)

Campo's Deli is a great spot for anyone looking to sample some authentic Philadelphia flavor without traveling too far to get it. Conveniently located on Market Street in Old City, Campo's is only three blocks from the Liberty Bell and the Independence Visitor Center. More famous for its creative menu of hoagies, Campo's Deli cooks up a respectable traditional cheesesteak, and they ship to other cities as well. 214 Market Street. (215) 923-1000.

#### 7. McNally's Tavern

Unlike other cheesesteaks on this list, The Schmitter comes on a round roll. (Photo by J. Varney for Visit Philadelphia)

McNally's is a Chestnut Hill landmark and it's famous for its signature sandwich, the Schmitter®, which is a variation of Philadelphia's famous cheesesteak sandwich. The Schmitter includes the traditional grilled steak, fried onions and melted cheese but adds grilled salami, grilled tomatoes and a special sauce and comes on a toasted Kaiser roll instead of a long hoagie roll. While the combination might sound strange, it's famous for a reason it's frighteningly delicious. Go ahead and put it on your Philadelphia bucket list. 8634 Germantown Avenue. (215) 247-9736.

#### 8. Dalessandro's Steaks

Even The Tonight Show's Jimmy Fallon loves Dalessandro's Steaks.

If you're a saavy enough cheesesteak aficionado, you will no doubt want to make the trek out to Roxborough, near Manayunk in Philadelphia's northwestern ridge. There, along Henry Avenue, you'll find Dalessandro's Steaks. Dalessandro's has been serving delicious — if sinfully greasy cheesesteaks from their corner locale for as long as anybody can remember. Legend has it that the grillmasters at Delassandro's season their sizable flattoped grill with fat before adding the meat. 600 Wendover Street. (215) 482-5407.

Steve's Prince of Steaks recently opened a second location in Center City.

of Steaks

The original location of Steve's is on Bustleton Avenue in the Great Northeast section of the city, where over the past 30-plus years Steve's has earned a sizable and devoted following of fans who swear the long, thin cheesesteaks that the "Prince" serves are the best in Philadelphia. At their location at 16th & Market in Center City which opened in 2013, Steve's is making their famous cheesesteaks a lot more accessible, so expect many more visitors to become Steve's devotees in the near future. 41 S. 16th Street. (215) 972-6090; 7200 Bustleton Avenue, (215) 338-0985.
